

2010-2011 DRESS CODE FOR GIRLS

Century Christian School has a dress code policy for kindergarten through eighth grade students. The standards of dress and appearance for students at Century Christian School are based on modesty, cleanliness, comfort, safety, and practicality. They are intended to encourage reverence for God, modesty in dress, school unity and spirit, and to give priority to the inward character over outward appearance.

Uniforms are to be worn while students are on school grounds unless they are involved in a sport or after-school activity that requires different clothing. Administration reserves the right to require chapel day dress code for other special functions. The judgment of the administration is final in interpreting and clarifying the dress code. Century Christian School reserves the right to make changes to the dress code when necessary.

All clothing will be of the appropriate size, clean and neat, containing no holes or graffiti. It is suggested that clothing be purchased from Dennis Uniforms (www.dennisuniform.com, school code UBCCS) but not required. Dennis Uniforms will have a store open on campus on a designated day during the summer. Purchases made at other retail outlets must match the color and style of those designated at Dennis Uniforms.
