

Referral Credit!

Open enrollment has started and we are beginning new family interviews! We appreciate you referring families to Century Christian School. Word of mouth is the best form of advertising we have!

To show our appreciation, we are giving a credit for one month's tuition when you refer a new family to the school!

Thank you for referring our wonderful school to your family and friends! If you have any questions please contact the school office.

Details: The new family (grade school only) must identify one returning family during the interview process to receive the referral credit. The new family must be enrolled at the time the credit is applied in December. The credit will be applied at the first child's tuition rate. One credit per family per school year. Referrals after school begins will receive a prorated credit (after the fourth month of enrollment) based on the number of months remaining in the school year.
